

April 15, 2026

Alto Rural Water Supply Corporation is issuing a boil water notice for customers on Highway 69 South, FM 1911 South, FM 1247, Sweet Union Area, Highway 21 East to FM 241 and CR 2610 because of a leak on a 6 inch line that some dug into. To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking and making ice should be boiled and cooled prior to use. The water should be brought to a vigorous, rolling boil and boiled two minutes. When it is no longer necessary to boil the water, the water system officials will notify you the water is safe for consumption. If you have any questions, you may contact our answering service at 936-858-4648 or at our office at 936-858-4648 4-16-2026.
